

## Curriculum vitae

### Pr . Kelati Awatef

Professeur assistante en Dermatologie à la faculté de Médecine, université Mohammed VI des sciences de la santé (UM6SS) , Casablanca . Maroc

Dermatologue spécialisée en Dermoscopie, trichoscopie, pathologie du cuir chevelu et peau foncée à l'hôpital universitaire international cheikh khalifa , et l'hôpital international Mohammed VI, Casablanca. Maroc

Secrétaire adjointe du groupe d'imagerie cutanée non invasive de la société française de Dermatologie

Membre du groupe de travail sur « peau foncée » et représentante du Maroc au bureau de la société internationale de Dermoscopie

Membre actif du groupe de Dermoscopie et de pathologies capillaires et d'onco-dermatologie de la société marocaine de Dermatologie

Membre de l'académie européenne de dermatologie

### 1-Formation :

- ✓ Titulaire de 6 diplomes universitaires :
  - Dermatologie esthétique, lasers dermatologiques, cosmétologie de l'université de bordeaux, France
  - Pathologie des cheveux et chirurgie du cuir chevelu de l'université de Sorbonne, Paris, France
  - Cicatrisation, Plaies et brulures de l'université de Nice, France.
  - Manifestations dermatologiques de maladies systémiques de l'université de Montpellier, France.
  - Dermatologie pédiatrique de l'université de Nice, France.
  - Rédaction médicale de l'université de Fès, Maroc.
- ✓ Formation en Dermatologie médicale, Dermoscopie, lasers dermatologiques et chirurgie dermatologique au :
  - Service de Dermatologie du CHU Hassan II de Fès
  - Service de Dermatologie de l'hôpital de l'Archet et au centre Laser du CHU de Nice en France
  - Service de Dermatopathologie et de Dermatologie de L'hôpital Lyon Sud, Pierre Bénite en France
- ✓ Formation spécialisée certifiée en « Lasers dermatologiques » de l'université de Marseille, France.
- ✓ Formation en Chirurgie unguéale au Service de Dermatologie de L'hôpital Lyon Sud, Pierre Bénite en France, et l'académie européenne de Dermatologie.

- ✓ Formation en Echographie cutanée à l'hôpital universitaire « Puerta de Hierro Majadahonda » à Madrid, Espagne

## 2-Les activités de recherche scientifique :

- ✓ Publication de 45 articles scientifiques concernant principalement la dermoscopie, La trichoscopie, les dermatoses inflammatoires, les cancers cutanés, la dermatopathologie, le psoriasis et le laser dermatologique.
- ✓ Publication de 11 abstracts dans les Annales de Dermatologie et de Vénérologie
- ✓ Publication de fiches techniques en Trichoscopie au site du groupe d'imagerie cutanée non invasive de la société française de Dermatologie . <https://www.sfdermato.org/groupe-15-imagerie-cutanee-non-invasive>
- ✓ Reconue comme reviewer pour des revues scientifiques comme le « British journal of Dermatology », «l'European journal of Dermatologie », Dermatology practical and conceptual....
- ✓ Membre du Comité éditorial du journal « skin appendage disorders »
- ✓ Responsable de la veille bibliographique diffusée par la société française de Dermatologie pour le groupe ICNI
